Six Grandchildren Complete High School

Mrs. Lyla Lines has six grandchildren graduating from high school this year. What helps to make this unusual is that this is three pairs of twins. Those graduating are Lorraine and LaRay Lines, twin daughters of Mr. and Mrs. Galen Lines, of Belle Plaine, who graduated from the high school there on Tuesday; Arthur and Allan Lines, twin sons of Mr. and Mrs. Arthur Lines; and Steven and Stanley Nash, twin sons of Mr. and Mrs. Merle Nash, who graduate this week Wednesday from the Rudd-Rockford-Marble Rock Community High School. All were in the class of 1968 at Rockford until the Galen Lines family moved to Belle Plaine about a year ago.

Clean-Up Continues In Tornado Areas

Clean-up work continues in the storm areas in this area. As is the way of our people many have turned out to help with the actual work and the others have helped through donations of various kinds. The Marble Rock churches helped provide food and helped to serve it at the Salvation Army headquarters in Charles City this past week. Some food was also taken to the Red Cross headquarters. In the nearby rural areas the farmers have turned out with equipment and food to help their neighbors in the clean-up operation.

Award Books at The Public Library

Each year the Newbery and Caldecott awards are given for outstanding books in the field of children's books. The Newbery award goes to the author of the outstanding book and the Caldecott award to the illustrator for his drawings in illustrating a child's book. The 1967 Newbery award winner was E. L. Konigsburg, author of "The Mixed-up Files of Mrs. Basil E. Frankweiler", a book with the classification on the library shelves of YP. It will be placed on the shelves frequented by the teen agers.

The Caldecott ward in 1967 went to Ed Emberley, for his illustrations in the book, "Drummer Hoff", which is an adaptation by his wife of an old folk verse. This has been given the designation E and will be found on the shelves where the little folks look for books.

Both have been purchased by the Marble Rock Library Board and are now on the shelves. The money given this year by the Hi Neighbor Club was used to purchase these books.

As you remember, the fine money received on overdue books is used for the purchase of books for the library with the emphasis on children's books. Several books are now on order from that fund and some have been received. Two now on the shelves will prove a help to you if giving a party for your children. At present an effort is being made to build up the reference material in the field of home and family entertainment.

Trading stamps are still coming in so we are slowly reaching the goal of the necessary books for obtaining the file cabinet for valuable papers at the library.

Fire Call

The Marble Rock Fire Department was called out Thursday forenoon to extinguish a fire in an old brooder house on the David Schlader farm northeast of town.

Alumni Reunion Planned For August

The time has come again to start addressing those letters to the alumni of the Marble Rock High School reminding them that August will bring the alumni picnic and reunion. This year it will be appreciated if anyone knowing the addresses of former high school teachers would send them to the secretary of the alumni association, Pearl Knoop, Marble Rock, Iowa. It would be nice to have as many as possible of the former teachers at this year's reunion.
