City Briefs

—As I (Eva Borland) was typing the City Briefs the paper in my typewriter was cut by flying glass in Wednesday's tornado. My windows went out, dirt, shingles and many pieces of wood were blown into my home and much damage was done. My garage that did set on the alley completely left its foundation in pieces, and the sliding doors of the garage are laying on my front porch. My nice home that we have always loved is almost no more. I owe many thanks to my good brother-in-law and sister-in-law Mr. and Mrs. Arnold Lauck that boarded me up for the night and helped scoop up the glass and other debris from inside my home.

—I would sincerely like to thank the man who came to my home Wednesday night with the short wave radio message from my daughter in Eldon.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
