WINDY

When Outdoors:

- Wear Several Layers Underneath Raincoat
- Wear Waterproof Hood or Rain Hat
- Scarves, Waterproof Gloves A Good Idea

When Indoors:

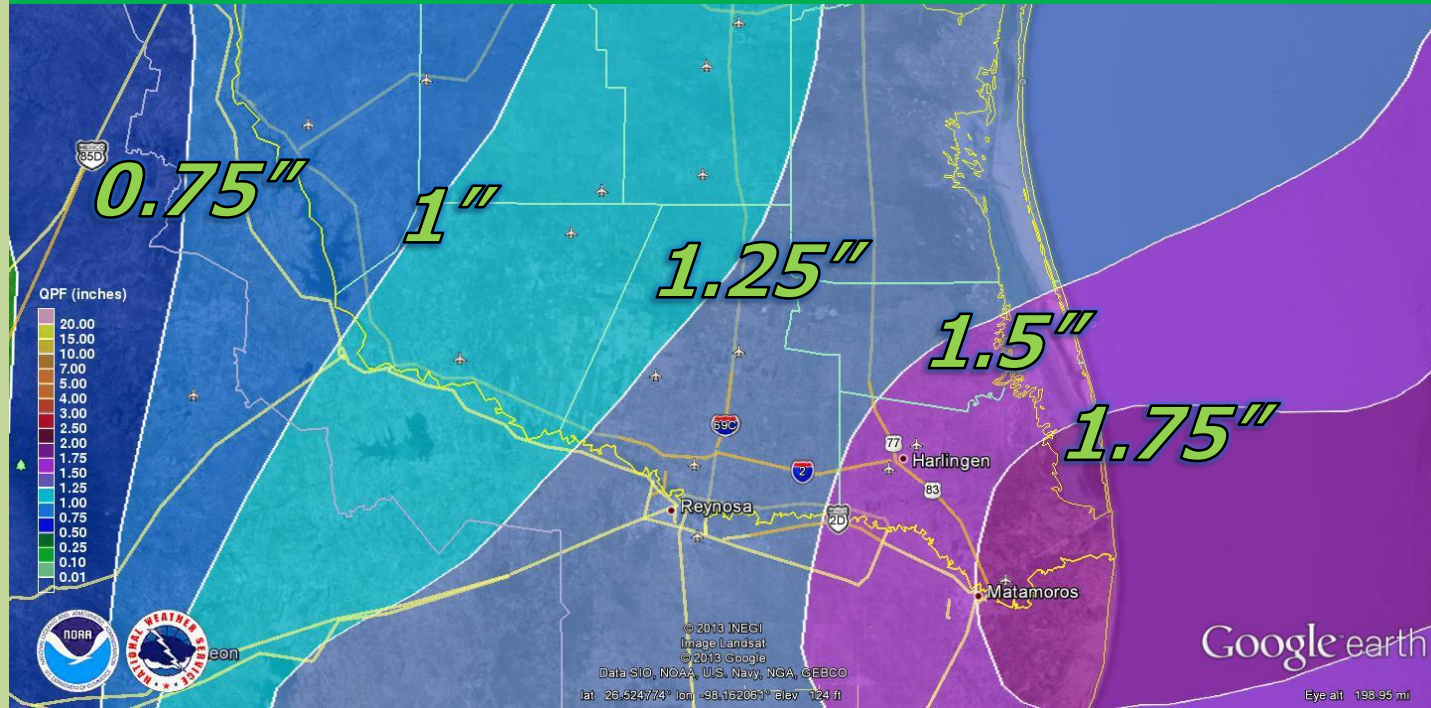

- If you use a wood burning stove to keep warm, be sure to clean before using and have ample ventilation
- Same situation for using a fireplace
- Using a space heater?
 - Keep 3 feet away from combustible items
 - Check cord for fraying and do not use if cord is damaged
 - Place on flat, level surface
