Mounds      05      1507CST                0      0                **Hail(0.75)**

#### Okmulgee County

1 W Henryetta      05      1507CST                0      0                **Hail(0.88)**

#### Okmulgee County

3 S Okmulgee      05      1511CST                0      0                **Hail(1.25)**

#### Osage County

Avant      05      1515CST                0      0                **Hail(1.00)**

#### Okmulgee County

Morris      05      1518CST                0      0                **Hail(1.00)**

#### Tulsa County

Jenks to  
7 E Tulsa      05      1525CST  
1545CST                0      0      65M           **Hail(3.00)**

A supercell thunderstorm moved north-northeast across the central portion of Tulsa County producing a several mile wide swath of large, damaging hail. Reports of golfball or larger hail was common in a densely populated area of the county from Jenks to across the City of Tulsa. The largest hailstones reported were 3 inches in diameter. Many automobiles, homes, and businesses were damaged by the hailstorm.
