----	---------	--	--	---	---	--	--	--	--------------------

#### Osage County 1 SW Pawhuska

17	1455CST			0	0				<b>Thunderstorm Wind (G65)</b>
----	---------	--	--	---	---	--	--	--	--------------------------------

#### Pawnee County Pawnee

17	1500CST			0	0	0.10K			<b>Thunderstorm Wind</b>
----	---------	--	--	---	---	-------	--	--	--------------------------

Isolated severe thunderstorms developed in northeast Oklahoma during the afternoon of August 17th. Strong thunderstorm winds downed several large trees and knocked over a heavy outdoor table in Pawnee, and thunderstorm winds gusted to 70 to 80 miles an hour just southwest of Pawhuska. 70 mile an hour winds in Pawhuska downed trees up to 18 inches in diameter which blocked roads, and numerous power lines and some power poles were also blown down in Pawhuska. Windows were blown out of the Department of Human Services building in Pawhuska, and 1 person was hospitalized after his car was blown off the road in Pawhuska. Hail up to golfball size also fell in Pawhuska.

#### Osage County In And Nr Pawhuska

17	1515CST 1800CST			0	1	10K			<b>Flash Flood</b>
----	--------------------	--	--	---	---	-----	--	--	--------------------

Thunderstorms produced over 6 inches of rain in Pawhuska which resulted in flash flooding. 17th Street in Pawhuska was completely flooded, and numerous streets in and around Pawhuska had major flooding with 1 to 2 feet of waters over the roadways common. 8 inches of water covered Main Street in Pawhuska, and Cemetery Road was also flooded. 2 feet of water covered the road at Lynn and 9th Streets in Pawhuska, and water entered some houses and cars in Pawhuska. 1 person was hospitalized after floodwaters caused him to lose control of his vehicle.

#### Tulsa County 4 W Owasso

22	1430CST			0	0				<b>Hail (0.88)</b>
----	---------	--	--	---	---	--	--	--	--------------------

#### Tulsa County 5 SW Owasso

22	1440CST			0	0				<b>Hail (0.75)</b>
----	---------	--	--	---	---	--	--	--	--------------------

#### Tulsa County 5 SW Owasso

22	1445CST			0	0				<b>Thunderstorm Wind (G54)</b>
----	---------	--	--	---	---	--	--	--	--------------------------------

A severe thunderstorm produced dime to nickel size hail 4 miles west of Owasso and dime size hail and 60 to 65 mile an hour winds 5 miles southwest of Owasso.
