-------------	----	---------	--	--	---	---	--	--	------------

Carroll County

Eureka Spgs	12	1820CST			0	0			Thunderstorm Wind (G61)
-------------	----	---------	--	--	---	---	--	--	-------------------------

Thunderstorm winds estimated at 70 miles an hour blew down trees.

Madison County

5 NE Clifty	12	1820CST			0	0			Thunderstorm Wind (G61)
-------------	----	---------	--	--	---	---	--	--	-------------------------

Thunderstorm winds estimated at 70 miles an hour blew down trees.

Carroll County

North Central Portion	12	1830CST 2030CST			1	0			Flash Flood
-----------------------	----	--------------------	--	--	---	---	--	--	-------------

An estimated 3 inches of rain fell over the hilly part of Carroll county to the north of Berryville. This rain caused small streams and low water crossings to flood. A 25 year old man died as his truck was swept away by flood waters while trying to drive over a low water crossing over Clabber Creek on County Road 403 about 3 miles north of Berryville. M25VE

Carroll County

2 W Berryville	12	1842CST			0	0			Hail(0.75)
----------------	----	---------	--	--	---	---	--	--	------------

Sebastian County

Hartford	12	1940CST			0	0			Thunderstorm Wind (G61)
----------	----	---------	--	--	---	---	--	--	-------------------------

Thunderstorm winds estimated at 70 miles an hour blew trees down.

Madison County

Pettigrew	17	0018CST			0	0			Thunderstorm Wind (G52)
-----------	----	---------	--	--	---	---	--	--	-------------------------

Thunderstorm winds estimated at 60 miles an hour blew down large tree limbs.

Benton County

Countywide	17	0400CST 0800CST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Thunderstorms produced heavy rain over Benton County during the early morning hours. The heavy rain caused a few roads to be closed including Patterson Road 2 miles east of Pea Ridge and Kirchlow Road near Siloam Springs

Sebastian County

1 W Hartford	17	0500CST			0	0			Thunderstorm Wind (G52)
--------------	----	---------	--	--	---	---	--	--	-------------------------

Thunderstorm winds estimated at 60 miles an hour blew down large tree limbs.

Franklin County

Countywide	29	0400CST 0500CST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Heavy thunderstorm rains caused flooding throughout the county. Street flooding was reported in Charleston, Altus, Branch and Etna. A few highways between these towns were also flooded

Madison County

Pettigrew	29	0400CST 0500CST			0	0			Flash Flood
-----------	----	--------------------	--	--	---	---	--	--	-------------

Heavy thunderstorm rains caused severe street flooding in Pettigrew.

OKLAHOMA, Eastern

Delaware County

OKLAHOMA, Eastern

Up to 4 inches of rain fell across the southern part of Tulsa metropolitan area during the morning hours shortly after the morning rush hour. A couple of major city streets had to be barricaded due to high water, including Lewis Avenue between 51st and 71st Street South and Skelly Drive between Lewis and Peoria. Two home in south Tulsa were flooded as the excessive rains overwhelmed the storm drainage system around Perryman ditch.
