Severe thunderstorms developed in northeast Oklahoma during the late afternoon of November 10th and continued into the early evening. Strong thunderstorm winds blew a semi truck off the road on U.S. Highway 64 1 mile south of Muskogee, and thunderstorm winds gusted to 70 miles an hour 3 miles west of Jay, in Tahlequah, and in Park Hill. Thunderstorm winds gusted to 65 miles an hour 5 miles south of Checotah and to 60 miles an hour 8 miles south of Tahlequah. Golfball size hail fell 8 miles southwest of Tahlequah, 12 miles southwest of Tahlequah, at Tahlequah, and at Park Hill, and hail up to 1.50 inches in diameter fell at Stilwell. Quarter size hail partially covered the ground 8 miles south of Tahlequah, and dime to nickel size hail covered the ground at Jay. Dime to quarter size hail also fell at numerous other locations in northeast Oklahoma.
